Make it easier to move with a tablet that's easier to swallow.

Nature's Own™ has created an innovative new coating technology to make large tablets easier to swallow. The Easy Glide™ coating is a smooth, slippery surface to help the tablet glide easily down the throat. Easy Glide™ also has a pleasant taste with a slight hint of vanilla, to help mask unsavoury tastes and reduce an unpleasant after taste.

The Easy Glide™ technology is now available exclusively on the new **Nature's Own™ Glucosamine 1500** supplement. It's a one-a-day tablet, clinically proven to temporarily relieve joint pain and help manage the symptoms of osteoarthritis by supporting the growth and maintenance of healthy joint cartilage. And, the exclusive Easy Glide™ coating makes it easy to swallow the high-strength dose of glucosamine. CHC 40237 - 03/08

A daily offering to awaken your inner health

Even the most enlightened
beings can use a daily
superfood to help attain
Inner Digestive Harmony

Our skin, appearance, energy and vitality are all reflections of our inner digestive health.

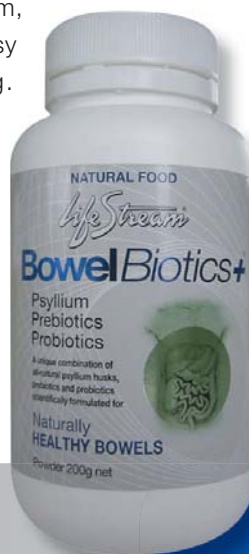

Lifestream **BowelBiotics+** has been specifically developed to promote naturally healthy bowels by offering a unique combination of psyllium, prebiotics and probiotics for an effective, easy and completely natural inner awakening. Many health conditions can be traced to intestinal problems, with up to 30% of people regularly suffering digestive upsets like irregularity, bloating and wind.

Did you know that sustained poor digestive health can result in middle aged people having 1-7 kilograms of undigested faecal matter trapped in their colons?

Lifestream
BowelBiotics+
3-in-1 action for your bowel

Each serving of **Lifestream BowelBiotics+** delivers 600 million probiotics (or 'good' bacteria) including lactobacilli and bifidobacteria. The prebiotics in **Lifestream BowelBiotics+** nourish these 'good' bacteria and the psyllium provides fibre to assist with elimination of waste and cleansing of the bowel.

- 100% NATURAL
- SUITABLE FOR REGULAR EVERYDAY USE
- GENTLE IN ACTION
- NO ARTIFICIAL INGREDIENTS

Lifestream
BowelBiotics+

Available from all Oze Pharmacies.
